

The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations. Our core business is slaughtering, deboning and rendering beef across eight facilities in Ireland and the UK. We supply quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle Proteins

Production Operative

FP/PO/01/21

Foyle Proteins require a General Operator to be based at our rendering plant in Campsie, Londonderry. This is an exciting opportunity to join a modern rendering plant in N. Ireland. We are currently looking for a shift operator, the ideal candidate will have a mechanical / engineering background with working knowledge of pumps, motors and filters. Being a rendering plant, the working environment is very warm, and you will be exposed to raw materials such as animal intestines, bones and blood.

The successful candidate will be part of a shift team working a 3 x 8 hour, 24 hr shift pattern from Mon > Sat.

Essential Criteria:

- Ability to work on own initiative in a safe manner
- Effective team operator
- Medically fit and in good health
- Availability to work flexible shift patterns
- Have a mechanical / engineering knowledge / background

Desirable Criteria:

- Previous experience of working shifts
- Previous rendering plant experience
- Fork truck licence

Salary scale: Based on previous experience increasing to £10.53 after completing a 3-year training programme.

The Company reserves the right to expand the shortlisting criteria to facilitate shortlisting.

Closing date for receipt of applications is 6th May 2021
