

The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations. Our core business is slaughtering, deboning and rendering beef across eight facilities in Ireland and the UK. We supply quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle Food Group

Technical Systems Co-Ordinator

FFG/GSTM/01/20

The **Foyle Food Group** requires a Technical Systems Co-ordinator to be based at their Shared Service Centre in Omagh, Co. Tyrone. This is an exciting opportunity to join a well-established food processing plant in the UK / Ireland. This is a new role within the Group reporting to the Operations Technical Manager.

Essential criteria

- Third level relevant qualification
- Experience in quality management systems in red meat sector
- Have knowledge of HACCP, GMP, current food legislation and quality management systems
- Knowledge of customer requirements and standards
- Small amount of travel within the group sites and customer base

Desirable criteria

- Experience in factory systems
- A natural leader and ability to work effectively under pressure

If you believe that you have the skills and experience, please forward your CV to the address below. Closing date for the receipt of completed applications is the Friday 8th October 2021.

We reserve the right to extend the shortlisting criteria to facilitate the interview process.
