

FI/EME/01/22

Electrical Maintenance Engineer

Location Foyle Ingredients
52 Doogary Road
Doogary
Omagh BT79 0BQ

Salary TBC

Closing Date 23rd January 2022

Foyle Ingredients requires an Electrical Maintenance Engineer. Foyle Ingredients is a Retail Packing Plant based within the Foyle Omagh site located on the outskirts of Omagh Co Tyrone. This is an exciting opportunity to join a well-established food processing Company in the UK and Ireland.

The successful candidate will be part of the Foyle Ingredients Maintenance team, assisting in the day-to-day and preventative maintenance programmes.

The shifts for the day shift operations are currently 0600 > 1530 and 0800 > 1730 and when Evening Shift is in place working hours between 1600 > 0200 carried out on a rotational basis, Monday to Saturday (working 5 days from 6). Totalling 45 hours per week with opportunities to undertake additional hours. Occasional preventative maintenance work on a Sunday.

Essential Criteria:

- Minimum NVQ level 3 in Electrical Installation
- Previous experience with three phase electrical equipment
- Flexible approach to working hours
- Ability to work in a team in a pressurised environment

Desirable Criteria:

- Multi-skilled and have experience in a similar role with a recognised apprenticeship
- Previous experience in a food processing environment

The Company reserves the right to expand the shortlisting criteria to facilitate the shortlisting process.

To apply please forward CV to:

The Monitoring Officer
