The Role will include:

- Assisting the Loading Bay Manager to manage the day-to-day operations within a fast-moving environment
- Motivating staff within the Department to operate effectively and efficiently.
- Maintaining high standards of established policies and procedures including Health and Safety, Product Integrity and Hygiene.
- Ensuring customer specifications and legislative requirements are always adhered to.
- Achievement of individual and team KPI's.
- Accessing carcass grades.

Essential Criteria:

- Experience working in the food industry
- Ability to demonstrate strong leadership qualities
- Excellent communication skills both verbal and written
- Competent in record keeping and high levels of attention to detail
- Understanding of KPIs
- Motivated with ability to work on own initiative and flexible according to business needs
- Computer literate
- Ability to complete quality checks, including carcass selection on products throughout the process and ensure that finished product is to customer specification

The above criteria may be enhanced to facilitate shortlisting. If you think you have the necessary skills, drive and ambition please complete an application form.

The Company retains the right to expand the shortlisting criteria to facilitate shortlisting.
