

The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations. Our core business is slaughtering, deboning and rendering beef across eight facilities in Ireland and the UK. We supply quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle Omagh

Electrical Maintenance Engineer

FO/02/EME/19

Foyle Omagh requires an Electrical Maintenance Engineer to be based at the Foyle Omagh site on the outskirts of Omagh, Co. Tyrone. This is an exciting opportunity to join a well-established food processing Company in the UK and Ireland.

The successful candidate will be part of the Foyle Omagh Maintenance team-based assisting in the day-to-day and preventative maintenance programmes and assisting with ad-hoc maintenance activities on the Foyle Omagh site.

Essential Criteria:

- Minimum NVQ level 3 in Electrical Installation
- Previous experience with three phase electrical equipment
- Flexible team worker and approach to working hours
- A sound understanding of Health & Safety standards
- Ability to work as a team in a pressurised environment

Desirable Criteria:

- Previous experience in a food processing environment
- PLC control systems
- Electrical testing and inspection certification
- Previous experience of welding and refrigeration processes
- Ability to work at heights

The Company reserve the right to enhance the shortlisting criteria to facilitate shortlisting.

Closing date for the receipt of completed application is **Friday 24th May 2019**.
