

The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations. Our core business is slaughtering, deboning and rendering beef across eight facilities in Ireland and the UK. We supply quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle Melton Mowbray

Trainee Technical Assistant

Foyle Melton Mowbray requires a Trainee Technical Assistant at their Six Hills site outside Melton Mowbray. This is an exciting opportunity to join one of most progressive beef processing groups in the UK and Ireland.

The ideal candidates will have a passion for the meat industry and a desire to learn about the technical and quality requirements of the food industry. You will be keen to learn and acquire a broad range of skills to help develop a career in the technical function

Any experience of working in a technical position in the food industry either from a university placement or full-time, post-grad role would be desirable but, again, not essential. You will be highly driven and committed to your career development, with a strong ambition to become part of the Technical team.

- Ability to manage time critical assignments
- Confident communicator - with strong written and verbal communication skills
- Good attention to detail with a commitment to getting things right first time
- Good time management and organisational skills
- A flexible approach to working
- Ability to work within a team and with other departments
- Confidence to work independently
- Willingness to undertake a wide range of projects simultaneously
- Confident computer skills, particularly Excel

Closing date for the receipt of applications is 27th September 2019
