

The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations. Our core business is slaughtering, deboning and rendering beef across eight facilities in Ireland and the UK. We supply quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle Food Group

Farm Manager

FM/FFG/01/2020

The Foyle Food Group is seeking a Farm Manager to manage a large Beef Research Farm on the outskirts of Cookstown. Reporting directly to the senior management team in the Foyle Food Group, the successful candidate will be responsible for the day-to-day effective management and co-ordination of all farm activities. We are looking for an enthusiastic, conscientious, and experienced individual to lead our team running this farm, which is a key part of our wider beef business.

Essential Criteria

- Extensive experience of ruminant livestock farming
- Previous experience managing the day-to-day farm team and resources
- Previous experience managing farm strategies / development plans / research projects
- Excellent stockman ship paying particular attention to animal health
- Previous experience managing farm maintenance / repairs / preventative maintenance activities and completion of paperwork accurately on a timely basis
- Ability to work on your own initiative
- Access to your own transport and ability to travel independently
- Flexible approach to working hours

We reserve the right to adjust the criteria to facilitate the shortlisting process.

Closing date for the receipt of CV's / Applications is Sunday 23rd August 2020. Please forward your CV to the;
