

The Foyle Food Group is a family-run group of companies with a farming heritage dating back several generations. Our core business is slaughtering, deboning and rendering beef across eight facilities in Ireland and the UK. We supply quality beef to leading retailers, manufacturers, foodservice providers and butchers across the world.

Foyle Gloucester

Technical Manager

FG/TM/01/21

Foyle Gloucester requires a Technical Manager to be based at their Cinderford site in Gloucestershire. This is an exciting opportunity to join one of most progressive beef processing groups in Ireland and the UK. This role is on a full-time permanent basis.

Responsibilities of the Role include:

- Take responsibility for the Management of all key elements of the Technical function
- Ensure all quality documentation, checks and tests are up to date, cleaning processes are satisfactory for the commencement of production at all times, maintaining cleaning schedules and collating cleaning audits, addressing any non-conformances
- Manage microbiological sample collection, maintaining schedules, standards and record keeping
- Develop and improve quality manuals, identifying new technical standards to achieve goals, audit and improve existing quality and food safety systems
- Manage all the key elements of the Technical Team, including identifying staffing requirements, training & development needs, grievance & disciplinary and coaching & guidance when required
- Manage the on-going GMP & pathogen reduction programme within the factory to include trials, development, maintenance and audits
- Responsible for ensuring the traceability system / animal welfare systems are operated in such a way as not to compromise legal guidelines, customers or the organisation
- Furnish site reports, KPI's and information to the Group function in a timely manner – weekly/period
- Delivery of a health & safety and hygiene conscious environment

The following skills or experience is required:

- Experience dealing with internal and external auditing processes
- Strong Communication and organisational skills
- Previous Technical Management experience in a food processing environment

Closing date for receipt of application is 4pm on Monday 24 May 2021 (vacancy may close early – this will be dependent on applications received). The Company retains the right to expand the shortlisting to facilitate shortlisting.

Applications for recruitment agencies will not be considered for this role.

If you would like to apply for this role, please submit your CV and covering letter to foylegloucesterrecruitment@foylefoodgroup.com.
