

Occupational Health Nurse / Technician

Closing date 20th October 2024

Competitive Salary

The Foyle Food Group have an exciting opportunity for an Occupational Health Nurse / Technician to undertake Pre-employment medicals, annual medicals, ongoing health surveillance / screening at the Foyle Melton Mowbray and Foyle Gloucester sites. This is a part time roll undertaking approximately 55 clinic's at the Gloucester site and 30 at the Melton site annually.

This is an exciting opportunity to join one of most progressive beef processing groups in the UK and Ireland, working days are flexible around the needs of the successful candidate / Company. Working closely with the Human Resource and Safety Management team the successful candidate will ensure accurate and full completion of all necessary health records and service documentation, providing advice and guidance to the management team and employees at the sites.

You should have the following essential criteria:

- Registered Occupational Health Nurse / Technician
- Previous experience in an Occupational Health setting
- Experience in health surveillance relevant to Occupational Health
- Proficient I.T. Skills
- Excellent communication and time management skills
- Proven ability to work on own initiative and as part of a team
- Accuracy in recording information and attention to detail
- Good team player who is flexible and reliable in your approach
- Access to a vehicle and hold a current valid UK driving license

Continual access to a vehicle is key to delivering services at both site – you will receive £0.45 per business mile completed.

The Company reserve the right to adjust the criteria to facilitate shortlisting. Only applicants with eligibility to work in the UK will be considered.

Salary will be negotiated based on experience. Closing date for the receipt of applications 20th October 2024. If you believe that you have the desire and discipline for the role please forward your CV or request an application form, from the undermentioned address.
