PROUD. REGAL.
BLACK AS INK. THE
BREED THAT DEFINES
EXCELLENCE.

Exquisite, authentic, and
beyond imitation. Blackmoran
Angus is the result of
generations of farming
expertise and the meticulous
craft of our butchers. Their
dedication delivers the
signature silky texture and
rich, succulent flavour that
define the Blackmoran name.

OUR BLACKMORAN
ANGUS IS NATURE'S
MASTERPIECE.

We're proud to say our Blackmoran Angus beef delivers all the rich, mouth-watering flavour that makes this breed so sought-after. Renowned for its marbling, the delicate threads of creamy white fat running through the meat allow it to baste from within during cooking, resulting in exceptional flavour, tenderness, and succulence.
